

Data Use Request for Researchers

I [hereafter referred to as „data-using researcher “]

[first name and surname]

[Institution]

[Address]

[Contact details]

hereby request the use of stav research data for the following research project:

Research project	
Short description	
Estimated duration	Start date: Completion date:
Necessary data	<i>[Please specify datasets and year of data collection]</i>

Persons involved in the research project:

[Please insert additional or delete unnecessary tables as needed]

First name	
Surname	
Email	
Institution	
Title/Position	

First name	
Surname	
Email	
Institution	
Title/Position	

This request for data use is based on the data use contract dated _____ *[Please insert date of last signature]* and concluded between the above-mentioned institution and UKE. I hereby confirm that I have taken note of and will comply with the mentioned rules and conditions. I am aware that in case of approval, a copy of the present request will be sent to the above-mentioned institution.

I commit myself to deleting the data provided to me no later than 6 months after the research project completion date stated in the current request and to timely informing the stav administrator about the deletion in a written statement (see § 11 of the data use rules and conditions). Furthermore, I commit myself to preparing a final report at the end of the research project (according to the template in appendix 3) and to sending it electronically within 6 months to the head of the stav project, Prof. Dr. Wolfgang Hampe (see § 8 of the data use rules and conditions).
